

“Hope is Our Anchor”
Fatherheart Residential Weekend Conference with
Helene King & John Nuttall
To be held from Friday 2nd to Sunday 4th March
At St Katherine’s Retreat Centre, Parmoor, Henley on Thames, RG9 6NN

We have the use of this entire beautiful house in the Chiltern Hills for the weekend which originates from the 16th century and one of its many claims to fame is that it was the home to King Zog of Albania who was forced into exile by Mussolini during the Second World War. For 51 years a Religious Community called the Community of St Katherine of Alexandria owned it. They converted the banqueting hall into a chapel, which is where we shall hold our meetings. When the last member of the Community died in 1998 it was given to the charity run by Lady Ryder called The Sue Ryder Prayer Fellowship. This charity now raises money for hospices.
